

Corporate Overview

Maximizing the web to maximize your profits.

MERGE is a dynamic company that provides marketing organizations with innovative web-based software solutions. MERGE enables your organization to manage your marketing activities effectively.

MERGE helps organizations create and manage web content and documents, build online communities and automate marketing processes. We provide visibility into online user actions and behaviours so that the right content can be delivered to the right person, at the right time.

MERGE has been able to engage some of the world's leading brands including Apple, Nissan, Roche, Labatt and many others to amplify marketing and sales performance with dynamic information delivery and campaign deployments.

MERGE offers three unique solutions: the MERGE Active Marketing Platform (AMP), MERGE Rx and general MERGE Solutions. Each solution is suited to address a broad range of business needs across multiple industry verticals.

MERGE goes beyond traditional web offerings, we provide:

- Tools to maximize and manage web lead generation
- Allows users to easily deploy interactive web sites, campaigns and build prospect interest and customer loyalty
- Tools to allow business users to update content and communicate with key stakeholders in a secure and scalable environment
- Simple, easy to use interface so you can focus on your message rather than technology
- Real time analytics to measure campaign effectiveness, web site results
- SEO, User Generated Content, Social Networking and Social Media

MERGE AMP

MERGE Active Marketing Platform (AMP) is a software based platform that helps marketing professionals launch new brands and campaigns using interactive media quickly and effectively.

MERGE helps you stay one step ahead of your competitors

The MERGE AMP Platform helps manage web based marketing programs and brand sites. We go beyond the traditional and provide interactive websites, Search Engine Optimization (SEO), email campaigns, detailed analytics and take advantage of new trends in viral marketing using social networking and social media.

- **Relationship Marketing:** MERGE allows you to build long term relationships with your customers and partners providing consistent touch points.
- **Brand Launch Tools:** Launch an integrate marketing campaign touching multiple mediums and centralize reporting tracking the results in one location.
- **Deploy multiple sites within the same framework for multiple audiences:** Deploy multiple sites for multiple purposes and manage common information from a centralized platform.
- **Automate Marketing Process:** Remove redundant tasks and automate standard updates and follow-up procedures to ensure consistent and accurate follow-up.
- **Manage Training:** provide consistent and managed training to your staff and partners from one platform.
- **Improve Consistency of your Brand:** MERGE allows you to provide consistent branding while allowing business users to update key information.

"MERGE has been very flexible and good to work with. Every time we have a need, it gets taken care of".

- Matthew Stradiotto, Co-Founder,
Matchstick

MERGE Rx

MERGE Rx is a software based closed-loop marketing solution designed specifically for pharmaceutical and Health Care companies. Our solution enables your organization to manage your entire marketing/product life-cycle.

MERGE helps you engage your Key Opinion Leaders in new and meaningful ways

MERGE Rx is a powerful and easy-to-use online interactive platform that helps pharmaceutical companies reach their audience and deliver personalized content to key stakeholders.

- **Key Opinion Leader (KOL) Management Tools:** The MERGE Rx platform provides brand managers with the ability to track interactions between KOLs.
- **Non-Personal Sales:** MERGE Rx provides a platform to facilitate non-personal sales tools to augment traditional channels.
- **Direct to Consumer/Direct to Patient Tools:** Reach out and engage with patients and consumers through multiple channels.
- **MERGE Rx provides tools to help manage regulatory issues:** The use of content on pharmaceutical sites can be highly regulated. MERGE Rx provides tools and expertise to manage the process.
- **Online Advisory Boards:** MERGE Rx provides pharmaceutical companies with robust tools to allow for secure strategic engagement with advisory board members.

Answers That Matter.

"Merge has been a critical partner for us as we have grown our e-business platform over the last five years."

- Danny Shenkman
eChannel Manager
Eli Lilly Canada Inc.

MERGE Solutions
